

AMENDMENTS TO THE DRAWINGS:

The attached sheet of drawing(s) includes changes to Fig. 13 wherein the illegible print has been corrected to be legible, and the empty boxes have been filled in.

Attachments: One Replacement Sheet (Fig. 13)

REMARKS

Applicant has corrected the informalities in Fig. 13.

Applicant has corrected the cited informalities in claims 1, 12, 13, 18, 29, 37 and 38, removing the basis for the objection to these claims. Applicant respectively traverses the objection of claim 11, because antecedent basis for the term "frequency distributions" already exists at line 4 of the claim. Applicant has amended minor grammatical informalities, not cited by the Examiner, in claims 13, 18, 29, and 38, and has amended claims 11, 12, 13, 29, 37, and 38 to delete inconsistencies in the claim language.

Applicant submits that, with these informalities and inconsistencies corrected, this case now is in condition for allowance.

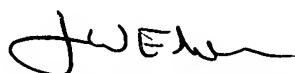

In view of the above amendments and remarks, Applicant respectfully requests reconsideration and allowance of the pending claims.

Please grant any extension of time to the extent required to enter this response and charge any fees not accounted for above, to our Deposit Account No. 06-0916.

Respectfully submitted,
